

Works Cited Recording Sheet (MLA 9 Style)

Print Sources (Books)

Author	Title of Book	Publisher	Date	Pages Used	Call # and ISBN*

**The call number is located on the spine of the book. (Ex. 971.04 BLI) It is not part of the citation, but it will help you find the book again in the library. The ISBN (International Standard Book Number) is the book's bar code. It is a 10 or 13 digit number found on the back of the book or on the verso page. Use it to create a citation shortcut in Noodle Tools. Pages used will be helpful if you are using direct quotes.*
